

Jonathan Reed

Student at The University of Texas at Dallas

Address: Dallas, Texas, United States

LinkedIn: <https://www.linkedin.com/in/jonathan-reed-000913314/>

- I attended Wharton County Junior College for two years before transferring to the University of Texas at Dallas, where I got an EMT-B certification and am currently studying advanced pre-medical neuroscience. I am also the founder of Hello.World
- Consulting, a small business that specializes in Internet and
- AI consulting. My primary goal is to combine my neuroscience knowledge with modern technology in order to develop practical applications. I am passionate about medicine and helping others while learning in the process.
